PROFESSIONAL EXPERIENCE

Website Maintenance Specialist (WordPress & Shopify)

Zaituni, Dhaka, Bangladesh (Remote) | 2025 – Present | Part-time

- Develop and customize Shopify storefront sections and customer-facing components using Liquid, HTML/CSS and JavaScript.
- Manage product configuration, promotions, storefront updates, security and seasonal changes.
- Implement landing pages, sales funnels and Meta Pixel / Conversion API tracking.

WordPress Developer & UI/UX Designer

CAPIX, Denmark (Remote) | 2025 – 2026 | Flexible Schedule

- Turn Figma designs into responsive WordPress websites and deploy production-ready pages.
- Use Claude Code and AI-assisted workflows for custom development, debugging, plugin improvements and Elementor implementation.
- Build and maintain responsive WordPress experiences for high-traffic websites.

Web Maintenance Specialist (WordPress & Lovable)

UQIF, Texas, USA (Remote) | 2024 – 2026 | Full-time

- Maintain websites with a focus on security, uptime, content, databases and new feature development.
- Build dashboard-style web applications from business requirements using Lovable and Claude Code.
- Implement SEO improvements and tracking integrations.

WordPress Developer

CredenceSoft, Mumbai, India (Remote) | 2022 – 2023 | Full-time

- Develop and launch responsive hospitality websites under tight deadlines.
- Turn brand requirements into functional WordPress websites in collaboration with design teams.

WordPress Developer & UI/UX Designer

EBAS, Dubai, UAE | 2020 – 2021

- Built web systems including donation portals and Learning Management Systems (LMS).
- Developed PHP/MySQL solutions for booking systems and custom e-commerce workflows.
